6. Footstool

This adorable little stool was designed for kids, but we think those stylish resin hooves and the woolly cushion will sit well with adults. Place one by a fireplace or cocktail table for extra seating. Petite Kadan Footstool, 14" H x 14" DIA, \$650. OLY: 775-336-2100; olystudio.com.

7. Hanging Lamp

Snappy details make this small ceiling lamp shine. The linen shade is edged in green wooden latticework, while the drop-and-pull chain is fashioned from thread-wrapped beads. Lattice Hanging Lamp, also available in red and blue, 10" H x 10" DIA, \$198. RO SHAM BEAUX: 877-664-4553; ro-sham-beaux.com.

8. Jeans

Can't get enough of Jonathan Adler? Add the designer's signature style—'60s Palm Beach meets groovy San Francisco—to your wardrobe. Cropped Gwenevere Jeans with Bamboo Print, \$198; Short Sleeve Polo in Sunkist, \$89. JONATHAN ADLER FOR 7 FOR ALL MANKIND: 866-427-1114; 7forallmankind.com.

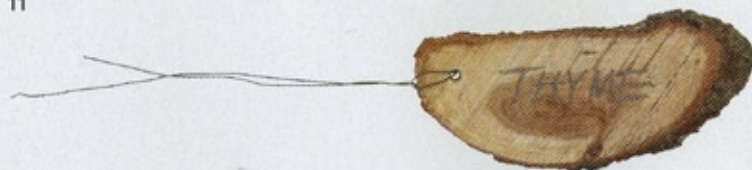

9. Settee

Tight spaces and small budgets are no match for this modestly sized, well-priced settee, available in five fabrics and 19 colors. This eye-catching olive green shantung is a neutral that's far from drab. Custom Settee, 34" H x 48" W x 34" D, \$799. THE COMPANY STORE: 800-323-8000; thecompanystore.com.

10. Pillow

Cushion couture, courtesy of South African designer Ronél Jordaan: her floral pillow is blooming with petals and leaves handcrafted from wool felt. It's a work of art that's destined for heirloom status. Floral Cushion, 12" H x 26" W, \$650. AMARIDIAN: 917-463-3719; amaridianusa.com.

11. Label

A lot of labels say "all natural," but this one truly is: it's a slice of a log. Write a name or a message on the wooden tag and use the wire to tie it around flowerpots, wine bottles, gift boxes. Short Log Labels, 2½" W, \$9. SIMPLEMENTE BLANCO: 617-734-3669; simplementebianco.com. ✪
