POWER PLAY
"Make a bold gesture and then echo it in smaller gestures," suggests Adler. "I used blue as a dominant color, and it appears throughout the room."

SIGNATURE LOOK

"Faces are compelling—so I always like there to be a place for the eye to rest on a face," says Adler, whose dining room features faces in everything from colored glass to pottery to wall art.

SPACE PLAN

"When in doubt, add a mirror," says Adler. "They're magic." As for the ceramic pooch in front of the mirror? "It was a gift from Michael Kors."
