Quite apart from being a fabulous way to get around, this bicycle has some serious design credentials – it comes from the same people who designed the **Classic Mini Cooper**. £949; [evanscycles.com](http://evanscycles.com)

With its cosy shearling collar, we think this denim jacket from **Jigsaw** is the perfect weekend cover-up for autumn. £149; [jigsaw.co.uk](http://jigsaw.co.uk)

In the 1970s the perfumer **Annick Goutal** created the scent *Petite Chérie* for her daughter, Camille. Camille has now returned the favour with *Mon Parfum Chéri, Par Camille*, a mix of Indonesian patchouli and sweet plum. £61, from Harrods ([harrods.com](http://harrods.com))

When it opened in Dublin in 1907, John Synge's **The Playboy of the Western World** caused a riot. The stars of this new production are Ruth Negga, who has just been cast as Shirley Bassey in a BBC biopic, and Robert Sheehan of the television series *Misfits*. Until 26 November; [oldvictheatre.com](http://oldvictheatre.com)
