1 BLUES TRAVELER

Handcrafted in Turkey, Tessera's ceramic tableware is inspired by traditional Ottoman designs. The one-of-a-kind indigo-and-turquoise pieces are painted with symbolic motifs such as tulips, which signify love. Bowls are 4" (\$30) and 6" (\$52); plates are 10" (\$97) and 12" (\$125). 2 MOD SQUAD

Todd Bracher's minimalist Dome table lamp for Mater wed a classic shape with a retro '70s vibe. Made of black or white spun steel, it measures 14.8" h. x 15.6" dia. and is priced at \$605. Available at Room; call 888-420-ROOM or go to roomonline.com.

3 TWICE AS NICE

Ideal for extra seating, Wunderley's 18" h. x 20" sq. mother-of-pearl-inlaid walnut ottoman is compact enough that even a pair can be tucked under a table when not in use, and the linen cushion removes easily for recovering. It costs \$1,375 and is available at wunderley.com.

4 THROWAWAY CHIC

Dransfield & Ross's Canton Ware wastebasket is made of hand-painted wood with a red-lacquer interior. It measures 12" h. x 10" w. x 7" d. and coordinates with a line of bath accessories. Available from At Home At Sweet Things; call 415-388-8566.

5 SHELL GAME

Jonathan Adler's Tortoise lamp trades its namesake's shell for creamy porcelain bisque. Mounted on a polished-nickel base, the translucent-china shade casts a warm glow. The lamp measures 25" h. x 15" w. and costs \$695. Call 877-287-1910 or go to jonathanadler.com.
